Techniques to Know

Stretch Cord Knot

INSTRUCTIONS:

1. Cut a 12" length of stretch cord.
2. Choose letters to make a word or saying of your choice. With a heart bead before and after, string the word or saying onto the middle of the stretch cord. (If more than one word, string a colored bead in between the words.)
3. Add colored beads before and after the word or saying until bracelet is wrist length.
4. Use a stretch cord knot to tie the ends of stretch cord together. Trim tails of stretch cord.
5. Repeat steps 1-4 to make a total of five bracelets.
