1 Cup Baking Soda
¼ Cup Cornstarch
½ Cup Room Temp Water
Pan
Stirrer
Rolling Pin
Cookie Cutters
Cookie Sheet
Parchment Paper
Straw

Instructions

1. Mix together 1 cup of baking soda, ¼ cup of cornstarch, and ½ cup of room temp water into your pan (off the heat). Stir until well combined.

2. Place on high heat, stirring continuously until boiling. Then, reduce heat to medium and stir until a dough like consistency.
3. Remove from heat.
4. Place dough in a bowl and let cool, about 10 minutes.
5. Sprinkle baking soda onto your working surface. Remove dough from bowl and roll until desired thickness.
6. Use cookie cutters to cut out your ornaments.
7. Place ornaments on a baking tray.
8. Using a straw, make a hole in the top of each ornament.
9. To dry ornaments either
 - Bake in oven at 175 degrees for 2 hours or
 - Leave out to dry for 24 hours
10. Once completely dry, paint and decorate!
11. Let ornaments dry.
12. Using jute cord, slide through your ornaments hole and tie a knot, to create your hanging ornaments.
