INSTRUCTIONS:

1. Choose above supplies that you wish to embellish your sandals or shoes with.
2. Determine how long you need to cut the cord or chain you chose. Cut them to the lengths needed.
3. Use glue and/or glue gun to glue them onto the surface of your sandals or shoes. (A toothpick is a useful tool to use for spreading the glue.)
4. To attach the tassels: use needle nose pliers to open the jump rings on the tassels, slide the jump rings through the cord, and close the jump rings.
